

- Huge outdoor living space
- Base ready and waiting for a future fire pit

- Doesn't get more open than this!
- Awesome wood-like tile connects the space & makes it feel even bigger.

- Kitchen full of "wow!" factor
- Apron sink, acres of granite, and stylish appliances

- Free-standing, stylish, modern bathtub

- A shower big enough to square dance in!

- #### Key Features
- Efficient planning makes the most of the space.
 - Covered patio tucked into the back of the home reduces the effect of Oklahoma wind.
 - Back walls of the eating area and master bedroom are co-linear to simplify roof design, saving money for tile floors.
